CLAUSES

Automatic Additions and Deletions Clause

It is agreed and declared that additional equipment will automatically be held covered under this policy provided that as soon as practically possible, the Insured will declare in writing to the Company all details relating to such equipment and pay the appropriate additional premium . Deletions of equipment will be similarly effected from the date of disposal.

Warranty for Maintenance of Contract

It is agreed that subject to the terms contained in this policy, a maintenance contract has to be in force during the period of the policy.

Maintenance for the purpose of this policy shall mean:

- Safety checks
- Preventative maintenance
- Rectification of loss or damage or faults arising from normal operations by repair or replacing of modules , section assemblies and components.

The insurance cover does not cover costs incurred for such maintenance work.
